

Pembrokeshire County Council

What does the rule relate to?	Rule	Live example (before and after)
Originating Authorities	Some originating authority values have been updated or standardised All National Parks charges are now: 'Parc Cenedlaethol Arfordir Penfro Pembrokeshire Coast National Park' All Ancient Monuments are now: 'Cadw' All Listed Buildings are now: 'Pembrokeshire County Council'	Before: For example some Listed Buildings would show the Originating Authority as: 'CROWN BUILDING CADW WELSH HISTORIC MONUMENTS CATHAYS PARK CARDIFF CF1 3NQ' After: Now the same Listed building would show the Originating authority as: 'Pembrokeshire County Council'
Further information location	All charges now have a web address rather than a postal address	Before: For example some Listed Buildings would show the Place where relevant documents may be inspected as: 'Pembrokeshire County Council County Hall PO Box 27 Haverfordwest Pembrokeshire SA61 1TP' After: Now the same Listed building would show the Source information as: ' https://cadw.gov.wales/advice-support/cof-cymru/search-cadw-records '
Location	Roughly 2,000 addresses were previously missing, these have now been populated	Before: The charge would be blank under Site Address/Location After: The charge will show a populated charge-geographic-description under Location

Statutory Provisions	A statutory provision value has been included for the majority of migrated charges	Before: The majority of charges had no statutory-provision value shown After: The majority of charges have a valid statutory-provision value under Law
Cancelled charges	Roughly 200 Highways section 220 charges have been cancelled after confirmation from the Pembrokeshire County Council Highways Department that they were no longer needed on the register	
Spatial extents created	Around 42000 spatial extents were imported into the Local Authority's system, having been created from plotting sheets/original plans or using shapefiles held by originating departments within the council.	Before: A charge may have been revealed that only applied to neighbouring properties on a development After: A charge will only be revealed if the spatial extent that has been created is within the area being searched
